the children. Please let us know if you can come and prepare the special breakfast for the children.

Starting in December, the children starts to learn about the transportations. The focus is on “Cars”. We will need experts to come and discuss “cars” with children. Please let your teachers know if you are available to come and share your expertise on the topic with the children about things on wheels. Teachers will arrange time for you to come in.

Sincerely,
Diana

Dear True Sunshine Community,

We are in the last month of the year. Before getting into the upcoming events in December, I would like to recap the Thanksgiving (Cultural) potluck that we had on November 21, 2018. We had more than a dozen of main dishes mixed with western and eastern food. We also had various desserts and fruits. Besides the children, more than half of our families joined us for lunch. Many parents also volunteered to help on site. Children enjoyed the food very much and were at their best behaviors at eating. Many parents expressed their appreciation for having this event. We are looking forward to have more of this kind of gathering to get families together. Please be alert to the upcoming activities.

Thank you to parents who have already responded to the SurveyMonkey. It really helped us to gather information on the types of activities and workshops that we should run for our community. On December 8th (Saturday), we have our second play date at Civic Center playground (Helen Diller Civic Center Playground) from 10am to 12pm. Please look for the True Sunshine Preschool banner when you get to the playground. This playdate is organized by Amy (Gus's mom) from Butterfly. Please put your name on the sign-up sheet by the door, so Amy can prepare the right amount of light snack for the day.

Parent-Teacher Conference is from 12/10 to 12/14. Please sign up your time to meet with your teacher to discuss your child development since August. It is very important to meet with your teacher to exchange any concerns to help your child grow and thrive.

One of the biggest events in December is on 12/21/2018 (Friday). It is Pajama Day for children and a full day of fun. All children will come to school in their pajamas and have breakfast on site, specially cooked from our kitchen.. The children will perform by singing Christmas songs and have special lunch on that day. Each child will leave with a surprise, and school ends at one o'clock. All families are invited to join a day of fun with the children. We need volunteers come and cook special breakfast for
