Learning about the Mid-Moon Festival and Confucius Day

Dear True Sunshine Community,

In September, besides learning the unit of "All About Me", the children also learned about the Mid-Autumn Festival and the Confucius Day (also seen as the Teacher's Day). The children listened to the stories about the two cultural events, and why they are important and being valued in the Chinese cultures. Children ate the moon cake and made cards for teachers to express their appreciation on the day of Confucius Day (September 28).

We are going on a field trip on October 3, Wednesday. It is a time that parents can get together and meet with other families. Please do join us and meet us at the [Speer Family Farm Pumpkin Patch, 2453 Hancock St. Alameda, CA 94501](#). It is a great time to know our community. If you need rides to get there, please do let us know. If you are going and can help driving some of the families, it would be great you can let us know as well.

On October 8th, there is no school as it is reserved for teachers' professional development day. Please do not bring your child to school on this day.

Picture Day is coming up on 10/12. It starts at 9am. Please dress your child for the day!

Don't forget to dress your kids up for Halloween on 10/31 (Wednesday). We will have a parade around the block.

Heads-up: We will have a Thanksgiving lunch on 11/21. Please pay attention to sign-up sheet for bring in food to celebrate with children and the community.

Sincerely,
Diana
Executive Director
